Notes - Linked exercises (1,2,3 - max one pace between exercises) (5,6,7 - lay signs as space allows…ex 8 should be 2m away - does not show up on plan above!!) (17,18,19 lay these so that there is space to work 11 to 12) (20 & 21 are linked, so max one pace between exercises, ideally should be a smooth combo!)

Course laying note - no 16 is positioned to handlers right - when working allow enough space

Tiebreak bonus = B1
