NOTES - Handlers Special Silver Service - in some form, literal or sartorial... Round is in two parts - 1-9 & 10-14 ... Reward in between - which can include in situ for a decent down... Handlers need two props - a tray and a menu/card.... Handlers must carry one prop for each half.
10 Bonus pts for carrying something ON the tray for the course chosen.

HINTS - Links (5 & 6) (7&8) do not involve a static position, exercises flow together.

Bonus - think about sign placement to allow space to complete the exercise!
