RallyOnline Group

Do I need to be registered with RallyOnline?

Yes – each team needs a ROL Ring number....this identifies the combination of dog and handler. Pre-registration is a one off activity – the ring number allotted is for all subsequent ROL events, valid for the dogs lifetime. Registration to get a laminated ring number posted to you costs £6 per dog (UK postage, overseas postage slightly higher to cover costs) - Registrations

It is possible to register and enter on the same day – by completing the registration form & entry form one after the other.
