RallyOnline Group

How do I join the ROL Handlers Facebook group ?

There is a private ROL handlers facebook group – which is only accessible by invitation. Security settings are kept as high as possible to avoid spammers /hacking! Please send a friend request to Sally Sanford on facebook (profile contains mainly images from Shetland & her NSDTR's!).

If you use a different name on social media – you will need to email /message Sally to enable her to link up the fb profile to the ROL registration!

Sally will then be able to send you an invite to the ROL handlers group – as soon as you are a group member, you are welcome to unfriend or unfollow Sally!
