How many classes can I enter at an event ?

Teams may enter two standard levels (levels 1 to 6plus) – the lowest they are eligible for and the next one up. All teams have two possible standard levels – as teams never qualify out of Level 6.

In addition teams may enter Veteran Dog Class – if their dog is 7 yrs old or more on the judging date of the competition.

Teams may also enter as many special classes as they wish and are eligible for.

Teams may choose to enter just special class(es) if they wish.
