Video Rally Level Titles

vRL&vRLex

*****Title certificates& rosettes*****

Titles to celebrate & recognise Video Rally achievements!

Rosettes & title certificates ..not just… "custom & practice".

Only one title at a time is held by a team…when a higher title is achieved the lower one is retired.

Titles are earned by a TEAM – one dog with one handler. Teams must be registered with ROL Group at the time of the claim submission.

Titles are open to all video competition results which adhere to UK KC Rally regulations as far as possible and are in line with RallyOnline Group (ROL) video competitions. Evidence of achievements with organisations other than ROL will need to be verified by ROL Group.

Only video competition achievements are eligible for submission.
